

School of Life Sciences

Curriculum Forum

All First-year Life Sciences / Sciences students are welcome

Date: 6 February 2014 (Thursday)
Time: 5:30 pm
Venue: L1, Science Centre
Speaker: Prof. K.M. Chan

At the Forum, we aim to hear your comments on courses we offered, guide you on selection of major programme, brief you on basic design of courses and programmes in our School and explain how to get good grades in our courses
