

**Adverse Weather Arrangements for Programme Taster Fair**

Kindly note the following arrangements in case of adverse weather before/during PTF:

If the local storm warning signal No. 8 or above, the notice of extreme conditions after super typhoons, or the black rainstorm warning signal is/will be<sup>+</sup> in force at or after the following times, the live sessions will be cancelled:

<b>Signal/Notice is/will be in force at or after the following times<sup>+</sup></b>	<b>Activities to be Cancelled</b>
7am	Activities in the morning
12 noon	Activities in the afternoon

For activities that have already started:

<b>Signal/Notice</b>	<b>Activities</b>
When the local storm warning signal No. 8 or above/ black rainstorm warning signal/ the notice of extreme conditions is in force	Continue until the end of that activities unless the venue is found to be of potential risk to Programme representatives

Where activities are cancelled, a message will be posted on the event webpage ([www.cuhk.edu.hk/adm/jupas/taster-fair](http://www.cuhk.edu.hk/adm/jupas/taster-fair)). Programmes may want to send an email notification to all registered participants and consider uploading the presentation materials to an online platform for reference by students.
